

# WATERLESS WASH & SHINE

Large parts of Britain are now officially in a state of drought following the extremely dry spring. Other parts of the country may also face restrictions on water supplies unless there is a return to normal levels of rainfall soon.

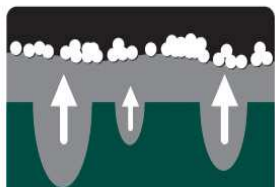

So what better time to launch a brand new, innovative car cleaning product – that doesn't require any water!

Triplewax Waterless Wash & Shine is a revolution in car care technology and the most versatile car cleaning product on the market.

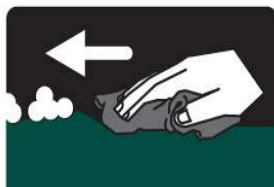

Clean, polish and protect your vehicle in one easy application – WITHOUT WATER.

No need for sponges, shampoo, bucket, hoses or mess!

All you need is Triplewax Waterless Wash & Shine and two cloths.

1. Waterless Wash & Shine reduces dirt particles & lifts them off the surface

2. One cloth to wipe away the dirt from the paintwork

3. One cloth for buffing & a beautiful gloss finish

Triplewax Waterless Wash & Shine effortlessly cuts through all types of dirt and grime, leaving a brilliant just-waxed finish, with no powdery white residue marks. Also suitable for use on glass, wheels, bumpers and plastic trim.

Take the hassle out of car cleaning with Triplewax Waterless Wash & Shine
